A Letter To The Editor

Dear Sir:

According to an account in the News-Argus Council has authorized a month's holiday for the Village Clerk. In conversation with some of my fellow taxpayers the consensus is "How come?" What outstanding service has he rendered that would entitle him to a month's vacation? Through the grapevine we have learned that one of the Councillors says that the Clerk plans closing the Village Office during his absence with the exception of Mondays and Wednesdays.

Wake up Council! Have YOU no sense of responsibility? Just who is running the Village? Many taxpayers do not get a month's holiday — I for one get none — and we fail to see why the Clerk should get two or three times more than the average contributor to his salary.

The Municipal Office was established for the convenience of taxpayers having business with the municipality and for the improvement of public relations. Anything short of full service is a gyp of the taxpayers' money. If this office is not used for this purpose, then we should revert to the practice of some years ago when the Clerk attended to the details from his residence at a much less cost. If, in your judgment, efficiency is improved by getting rid of an employee as in the case of the Police Department, let's go a step further and change the entire management.

A public spirited citizen

Entered Into Rest

WILLIAM ERNEST SARLES

One of Rawdon Township's best known and highly esteemed citizens, in the person of William Ernest Sarles, died at his late residence early Friday morning. Although he had not been feeling as well as usual for several days he was around assisting with the morning chores when he was suddenly stricken and passed away before medical aid could be summoned.

He was born in Rawdon Township and in the home where he continuously resided, 76 years ago, being the son of the late Mr. and Mrs. Daniel Sarles.

He was a good citizen taking a keen interest in all matters affecting the welfare of the community and was a friend to all. He served his native Township as a Councillor for several years and was a member of the Board of Health for a lengthy period. In politics he was an ardent supporter of the Liberal party.

Mr. Sarles was a member of Salem United Church and a faithful worker in the congregation. At the time of his death he was an Elder and Secretary of the Church.

Surviving are two daughters, Mrs. Jack (Nora) Watson, of R.R. 2, Campbellford; Mrs. Burton (Mae) Wallace, of R.R. 3, Trenton; one son, Ivan Sarles, of R.R. 1, Harold, and one sister, Mrs. Bertha Wood, of Ivanhoe. Also surviving are 11 grandchildren. His wife, the former Flossie Pollock, died in 1951.

The funeral was held from his late residence at 2 p.m. on Monday to Salem United Church for service at 2:30 p.m. Rev. H. Stobart conducted the service which was largely attended. During the service Mrs. George Sine sang "Good Night Here and Good Morning Up There."

The pallbearers were Messrs. Geo. Sine, Ernest Broadworth, Murney Johnston, Burton Heagle, Harry Geen and Thos. Clements.

Interment in Stirling Cemetery.

A monument at Solferino, Italy, commemorates the birth of the Red Cross idea, and honours Henri Dunant the founder of the Red Cross. He proposed the idea of the Red Cross in 1859.

Teacher At S.S. No. 17
Rawdon Honoured

On Friday evening the pupils and parents of S.S. No. 17, Rawdon (Snarr School) met at the school for a final evening with their teacher, Mrs. Nellie Meiklejohn who is returning to private life after several years' teaching. Mrs. Meiklejohn was a school teacher before her marriage. Robert Matthews acted as chairman for the following programme:

Chairman's remarks; Junior chorus, Grades 1, 2 and 3; reading, Grant Dunham; piano solo, Barry Linn; reading, Kathy White; solo, Colin Matthews; reading, Lloyd Dunham; solo, Allan Dracup; piano solo, Marilyn White; reading, Ralph Dunham; musical selection, Nancy Tompkins; solo, Jeanette Dracup; piano solo, Gayle Hoover; solo, Dawn Beckett; piano solo, Sharon Matthews.

The following address was read to Mrs. Meiklejohn:

Dear Mrs. Meiklejohn:
For the past seven years you have held the post of teacher of S.S. No. 17, Rawdon. It has been your task to lay the foundations for our children's education and train them to be good citizens of tomorrow. Now that you are about to step out of the active life of our community, we felt that we must express in some small way our appreciation for the work you

have done among us.

We know that your days have not always been easy, for your lively charges sometimes strayed from the thorny paths of learning. Then it required all your patience and sense of humour to complete the task. However, we do thank you for the hours of preparation, the well-presented lessons and the interest you have shown in each pupil. In later years when your graduates have faced more difficult studies, they will have found themselves well prepared.

However, all lessons cannot be found in books. You have shown your understanding of the needs of active bodies and minds in your efforts to choose wise equipment for our games, both in the school and outside.

Other highlights of the years you have spent with us have been the interesting tours you have planned, the picnics and parties and the Christmas concerts, all so greatly enjoyed.

We know you will not forget your pupils and friends of the Snarr School and as a token of our esteem please accept this gift. May it always bring to your mind pleasant memories.

Signed on behalf of S.S. No. 17, Rawdon, Muriel Hoover, Margaret Linn and Hazel Akins.

Three of the former pupils presented Mrs. Meiklejohn with a beautiful tri-light floor lamp and Mrs. Meiklejohn made a suitable reply, after which all sang "For She's A Jolly Good Fellow."

Lunch was served.

The whole community was represented at this surprise party.

Earlier in the day the girls of

Grades 5 and 7 presented a lovely rose base boudoir lamp to Mrs. Meiklejohn.

Hutcheon -- Cassidy
Wedding Solemnized

A lovely wedding was solemnized on Saturday, May 25th, 1963, at 1.00 p.m. in Spring Brook United Church when Gloria Beth Cassidy, youngest daughter of Mrs. L. F. Cassidy and the late Mr. Cassidy, of Spring Brook, and Terrance Wayne Hutcheon, only son of Mr. and Mrs. Howard Hutcheon, of Stirling, Ontario, took their wedding vows. Rev. J. M. D. McLeod, of Marmora, officiated, assisted by Mr. H. Pallen, of Spring Brook United Church.

Lilies and tulips made a lovely setting for the ceremony. The nuptial music was provided by the organist, Mrs. John McKeown. She also accompanied Misses Sandra and Linda Meiklejohn, of Marmora, who sang "Prayer Perfect" and "O Perfect Love."

Given in marriage by her only bride looked radiant in her waltz-length gown of white nylon over taffeta with full skirt and jacket of nylon acetate lace with long sleeves coming to a point at wrist. Her veil was of tiered nylon tulle shoulder length. Her halo was of crystal borealis stones and rhinestones. She carried a bouquet of mauve orchids and lily of the valley.

Her niece, Miss Gail M. Ray, of Spring Brook, was bridesmaid. She looked charming in a pastel blue nylon over taffeta gown with full skirt and jacket of nylon acetate lace made on similar lines of the bride's. She carried a bouquet of mixed spring flowers. Her headpiece was of white satin peau de sole in flower design with over the face veil.

Little Gloria Dianne Fox, another niece of the bride, looked sweet in a pastel yellow over taffeta dress, carrying a bouquet of mixed spring flowers matching her bandeau.

Mr. John Williams, of Bonarlaw, was the groomsman. Mr. Ronald Hutcheon, Hagersville, cousin of the groom and Mr. Paul Hart, Campbellford, ushered the guests.

The bride's mother looked nice in her two-piece dress of garden blue embroidered rayon linen with white accessories and corsage of pink baby roses. She received the guests assisted by the groom's mother attired in a blue silk dress with pink accessories and corsage of pink baby roses.

The reception was held in the parlours of the church which was nicely decorated in pink and white by members of the C.G.I.T. The bride's table looked lovely in white linen with crystal candle holders and pink and white candles on either side, centred by a three-tiered wedding cake, flanked with the bridal bouquets.

Her waitresses were Misses Geraldine and Joan McFaul, Caroline Vanhorne, Sharon Rathwell, Darlene Pallen and Mrs. John Williams. The bride presented them with china cups and saucers. The organist and soloists also received cups and saucers; the bridesmaid, a jewellery set with pearls, and the flower girl a gold necklace.

The bride's gift to the groom was mahogany book ends with bronze ducks on them. The groom's gift to the bride was a broadloom rug; to the ushers neckties with matching socks and gold cuff links to the bestman.

For the wedding trip to Toronto, Niagara Falls, Hagersville and points west. The bride looked charming in her two-piece suit of pink rayon boucle with white accessories and corsage of lilies.

The happy couple left amid showers of confetti and their friends all wishing them success and a long and happy wedded life.

Guests attending the wedding were from Sudbury, Toronto, Peterboro, Belleville, Stirling, Guelph, Bonarlaw, Spring Brook, Cordova, Campbellford and Hagersville.

The happy couple are now residing at 1280 Dorchester Ave., Ottawa 3, Apt. 2.

Previous to her marriage the bride was the recipient of many lovely gifts from a shower presented her by the C.G.I.T. and members of the Choir.

A driver's raised left forearm correctly means: "I am going to turn right." The Ontario Safety League reminds drivers. Many drivers use the signal improperly to indicate a stop. Other interpretations are: "It's a warm day" . . . or, "Look, I can drive just as well with out hand!" . . . or, "Holding on to the roof isn't particularly comfortable, but it seems to be fashionable."

What Is A Farmer?

The following editorial, under the above heading, appeared in a recent issue of the *Cata (N.Y.) Citizen*, and we reprint it primarily for the benefit of our rural readers:

A farmer is a paradox — he is an overall executive with his home; his office; a scientist using fertilizer attachments; a purchasing agent in an old hat; a personnel director with grease under his fingernails; . . . a production expert with a surplus; and a manager battling a price-cost squeeze.

He manages more capital than most of the businessmen in town. He likes sunshine, good foods. He is not much for droughts, ditches, thoroughways, experts, weeds, the 8-hour day, or helping with housework. . . .

A farmer must have faith to continually meet the challenges of his capacities amid the possibility that a late spring can bring his business to a standstill. You can reduce his acreage but (not) his ambition.

Might as well put up with him. He is your countryman — a denim-dressed, businesswise, fast-growing statesman of stature. And when he comes in at noon, having spent the energy of his hopes, he can be recharged anew with the magic words: "The Market's up."

CONSERVATION NEWS

Rabid Animals
Are Still A Menace

A resident of Tweed reported killing a raccoon that chased his young son near their residence in the village. When the animal was first sighted, the boy being curious, went to investigate. He expected it to retreat, not to attack. This is the usual behaviour when an animal is suffering from the effects of the rabies virus.

While children should be taught not to be afraid of wild animals, they should also be taught to respect them

and at the same time to leave them alone.

Porcupines, A Menace

To Unsuspecting Dogs
The following is a timely bit of advice to cottagers and campers who plan to vacation with their pets this coming tourist season:

Porcupines, those fearless well-armoured animals, have increased more than two fold in the Bancroft area (and most of Southern Ontario) in the past year. When attacked "porxie" just tucks his head under his stomach and presents its rear to the enemy. The slightest touch and it sweeps its tail sideways with lightning speed. Dogs, because of their inexperience, seem to have less respect for them and so come out on the "quill end" of a fight.

Porcupines may be seen anywhere in the bush but they more often frequent abandoned shacks, farmhouses, and lumber camps. Not only do they destroy much timber but their damage to boats, canoes, docks, cottages and vehicles is unestimated.

Vaccinating dog owners this year should include a pair of pliers and a small bottle of vinegar with their camping equipment. The pliers is the most practical instrument for extracting quills and swabbing the dog's mouth with vinegar helps to soften them.

It would be advisable to have pets under closer supervision this year and discourage their idle ramblings through the bush. A few precautions taken may make the difference between an enjoyable or a disappointing summer vacation.

Porcupines are not protected by the Game and Fisheries Act or the Ontario Fisheries Regulations, and may be destroyed by those who find them a nuisance.

The total costs of highway accidents in insurance, in work time lost and in medical expenses look like a national budget arranged as placation to a vengeful god.

QUILL TO COMPUTER

A dramatic 146-year contrast between the Bank of Montreal's first system of handling accounts and its new "Genie" system is shown in this photograph. Here, Miss Marion Ryan compares the B of M's first ledger dated 1817 with the computer which forms the heart of the bank's new "Genie" centre — the first fully-integrated automatic banking system in Canada. The new system goes into operation this week. Making full use of electronic speeds, Canada's first data processing banking operation of such scope combines cheque clearing and ledger posting for many of the B of M's Montreal area branches. The centre is the forerunner of a number of similar "Genie" operations scheduled for development by the B of M across Canada in the future.

LEGION NOTES

Stirling Legion has embarked on another ambitious program of work in connection with the general renovation of the Legion Hall. Last Thursday, the branch executive approved a contract with Pidutti-Fabri Ltd., of Belleville, for the installation of a terrazzo concrete floor in the hall.

The contractor expects to commence work within the next week, and it is expected that the new floor should be ready by the end of July. Prior to the start of work, the Legion Hall will be completely stripped of all furnishings. Additional work is also planned to install proper drainage tile around the building. Branch President Allan Lawes has indicated that he will shortly call for a work party to do this portion of the work.

As soon as the new floor is installed, the Legion Hall will offer a fine place for all Legion events, and it is expected that the Hall will also be made available to rent to community groups. The Legion is most indebted to several private citizens who have given generous financial assistance for this project. The Legion will acknowledge such contributions by personal letter.

Recently, one of the Legion columns dealt with the issue of a Canadian flag. As was pointed out, the official flag is and has been the Red Ensign. In our recent article, everyone was urged to fly the flag. The Legion is pleased to note that some local citizens have already undertaken to fly our flag. It is the hope of the Stirling Branch that this practice will receive more emphasis and support from all citizens.

We are also given to understand that additional help is required to help supervise some of the local youngsters in their softball league. Anyone who can spare an hour or so a week is asked to contact either Geo. Noble or Bert Bastedo.

With the school holidays at hand, the Legion wishes to endorse the pleas and warnings of all organiza-

During the next two months there will be no regular business meetings of the Legion. It is expected that the branch executive will be called at various times throughout the summer. President Lawes has indicated that members of the executive will be advised prior to such meetings.

Council Takes Action To Combat Noise Makers Within Village Limits

Anti-Noise Bylaw To Be Passed — Approve Deben- ture By Local P. Utilities

Acting on numerous complaints of tire squealing, horn honking and other unnecessary noises in the wee small hours, Council decided at its regular meeting on Monday to have an anti-noise Bylaw drafted and passed as soon as possible. Reeve G. C. Mouck presided and was supported by Councillors G. B. Noble, Jas. Chambers, B. Jones and R. Anderson.

Douglas Robson gave a report on the recent meeting of the Hastings and Prince Edward Mutual Aid Association in Stirling and the finances involved, leaving a moderate indebtedness which he hoped Council would pay. His remarks were augmented by Reeve Mouck, who stated visiting firemen were greatly pleased with their reception in Stirling.

Mr. Robson also requested use of the old fire engine to participate in the centennial celebration at Wellington. He also pointed out that it was equipped with fire-fighting apparatus which could be used in event of a fire and as such should be covered with the necessary insurance. On motion of Councillors Jones and Noble his request was granted and adequate insurance provided.

Sell Land

To School Board

Allan Munro, Chairman of the Property Committee of the Public School Board, addressed Council relative to the increased enrolment at the school necessitating plans for added accommodation. Agreements for the purchase of additional land adjacent to the present school property had been consummated, stated Mr. Munro, and the Board wished to purchase 100 feet of the road allowance on Rear St. east of the present school. On motion of Councillors Jones and Noble Council agreed to sell the land for the nominal price of \$1.00.

A letter from the Stirling Public Utilities sought approval for raising \$12,000 to \$12,500 by debenture for increasing the capacity of the local distribution system, and to install three 4" 2" tube fluorescent lights on North St. Reeve Mouck, a member of the Utilities Commission, stated it was proposed to spend approximately \$20,000 in this work and increase the capacity from 1000 to 3000 KVA's. On motion of Councillors Jones and Noble Council agreed to concur in the request.

A letter from the Stirling Lawn Bowling Club re a grant equal to taxes was received and on motion of Councillors Anderson and Jones it was agreed to follow the same course as last year and refund the taxes levied.

The reports of former Chief of Police D. M. Ketcheson for May and June were received and accepted on motion of Councillors Noble and Anderson.

Requests for culverts for property entrances in various parts of the Village were referred to the streets committee and Road Superintendent.

The Dogs

Have It

Only 40 dog tags have been sold in 1963 according to a report received from the tax collector. The dog catcher will be instructed to take steps to remedy this situation.

A trailer parked on property on the north side of Church St. came up for discussion and the Clerk was instructed to write J. E. Munro requesting him to comply with Bylaw No. 692 covering trailers within the Village limits.

A complaint of children throwing stones on Front St. West will be referred to the police, and a complaint over weed-infested properties to the Weed Inspector for action.

On the suggestion of Reeve Mouck, the Clerk was instructed to write L. Langlois, County engineer requesting completion of Mill St. road as soon as possible.

Miscellaneous Shower Held For Bride-To-Be

The home of Mr. and Mrs. R. D. Cooke, Church St., was the scene of a happy gathering on Wednesday evening last when some twenty-five friends assembled to honour Miss Carol Ray, a bride-to-be of the month. The guest of honour was given a seat under a pink and white umbrella, decorated with mock orange blossoms. The gifts were arranged on the dining room table. Mrs. Robert Luery fashioned a hat for the bride-to-be from the bows of ribbons.

Following an appropriate reply by Miss Ray, dainty refreshments were served and a social hour enjoyed.

Vandalism Rampant

Complaints were heard at Council meeting Monday night of acts of vandalism being perpetrated in the Village. Flowers were torn from two of the flower beds placed on the bridge by members of the Horticultural Society and thrown into the creek, while the building placed on Coronation Park for the convenience of those stopping for a rest has been smashed and defaced.

Members of Council and citizens in general are irked at these actions by irresponsible parties and steps will be taken to put a stop to these depredations. An example should be made of the vandals that are caught. A fat fine or sojourn in jail would help.

Horticultural Society Enjoy Trip to Oshawa

On Wednesday evening, July 3rd, Stirling Horticultural Society under the direction of the President, Mrs. Floyd Armstrong, and Secretary, Mrs. Ray Rose, sponsored a chartered bus trip to Oshawa. There were twenty-two people from the Stirling area and eight from Marmora.

They were guests of the Oshawa Horticultural Society where the group was taken on guided tours of the beautiful floral surroundings in Parkwood Gardens at the Col. R. S. McLaughlin Estate. There were numerous evergreens, various flower gardens, a large display of vegetables growing beneath and around the apple trees, one section of roses, another of pure white blooming flowers, an Italian arrangement and many cozy nooks here and there. The superb attraction was the various lighted pools with a rainbow of light in the water and deep lights in the adjoining evergreen trees. Everywhere there was beauty and the grounds were a picture of loveliness.

The group arrived back in Stirling in the early morning. They enjoyed a supper meal at "The Flying Lutchman" enroute home.

Hastings County Dairy Princess Committee Selected

At a meeting of the dairy commodity groups the 1963 Hastings County Dairy Princess Committee was selected. The work of this committee is to co-relate the activities and prepare for a Dairy Princess Competition in Hastings County.

For the past few years each county has selected a farm girl as Dairy Princess for that county. Each of these then competed at the Canadian National Exhibition for the Ontario Dairy Princess award. These girls are selected on the ability not only to milk cows correctly but also on their knowledge of the dairy industry, their own acquired knowledge through school, 4-H, Junior Farmers, Church, community, and their personality.

The committee agreed that if the Belleville Agricultural Society is still

willing to have the competition for Hastings County held during the Fair, it would be held there.

The prizes will be similar to that of other years. Hastings Dairy Princess will receive her crown, her uniform, a free trip to the C.N.E. where she competes for the Ontario award, plus \$15.00 cash. Those who compete and receive a score of over 80% will receive \$10.00, and if the score is 75 to 79% the prize will be \$5.00.

The financing of this competition is through the kind donations of those interested in promoting the dairy industry, and all donations should be sent to Mr. Douglas Harry, Trenton R.R. 5.

Letters To The Editor

Dear Mr. Tompkins:

I have read and reread with interest the letter published in your paper of July 4th and signed by a public spirited citizen. I heartily commend the writer for expressing sentiments in which so many taxpayers concur. Council should appreciate the fact that some people are concerned enough to comment upon their actions and perhaps it is an omen that other eligibles will offer their services when the opportunity next presents itself.

True the municipal office was established for the convenience of the taxpayers. But it should perform another role, probably even more important in its scope. Public relations can and will make or break any place of business. The Village office is no exception. There was a day when it was a place where one could drop in, sit and chat briefly. But progress has eliminated that. Now we have business only. No one can measure goodwill and those in authority would do well to keep it as the Number 1 item on every agenda.

A Stirling Booster

Mr. Editor:

Many interested taxpayers would like to take credit for the letter printed in your paper of recent date. More power to those who express themselves openly and not grumble glibly!

My biggest beef is that the Village office is not governed in conjunction with the business section of our Chamber of Commerce. Why should the Clerk be expected to work Mondays when business places are closed? Likewise, why plan to keep the office open on Civic Holiday — one Monday in the proposed holiday period, when all payroll employees seek respite from their labours? Wasted effort plus thoughtlessness, I would say!

Mr. W.

Mrs. N. Morton Hostess To Unit Four St. Paul's UCW

Members of Unit Four of St. Paul's United Church Women were guests of Mrs. Nina Morton at her summer home at Oak Lake for their monthly meeting on Tuesday, July 9th.

The President opened the meeting with prayer and conducted routine business. Following a very gratifying Treasurer's report, the Community Friendship Secretary read correspondence. Visits to sick and shut-ins were given as 25 for the month of June. Mrs. A. Brooks read the minutes of the previous meeting and Mrs. W. Beatty thanked all who had helped cater to the Pitcher wedding anniversary. Unit members appreciate very much the generosity of Mr. and Mrs. Pitcher.

Devotions were conducted by Mrs. J. B. Thompson. She opened this portion of the meeting with a beautiful nature poem by Patience Strong and hymn 446 was sung. Mrs. R. Stapley was accompanist on her portable electric organ.

Following prayer, Mrs. Volney Richardson read Psalm 1 and Mrs. David Luery gave a meditation on this Scripture passage. Mrs. J. B. Hough closed the devotional period with a short reading and the offering was received and dedicated.

Mrs. R. Stapley contributed an organ solo, it being the lyric poem entitled "Trees," written by Joyce Kilmer. This was a fitting introduction to the afternoon's topic, "A Parable of Trees" written by Wayne McKenzie and read by Mrs. David Duffin. Summing up her subject, matter the speaker said, "Trees and men are shaped by habitat, association, climate and soil — these four at least. The tree accepts what it receives, but man can alter them for himself and for others. The altering becomes our deepest Christian responsibility, before we, like the forest monarch, pass forever into history and into the shape of things to come."

Mrs. Burton Bateman thanked the hostess, the committee in charge of

devotions, programme and lunch and all those who provided transportation.

Guest of Honour At Shower

The home of Mr. and Mrs. Gerald Russett, Harold, was the scene of a happy event on Saturday evening, June 29th, when Mrs. Russett was hostess at a miscellaneous surprise shower in honour of Miss Ruth Morgan, of West Huntingdon, a bride-to-be. Some twenty friends and relatives were in attendance. Miss Karen Morton, Thomasburg, acted as co-hostess.

Upon arrival the bride was given a seat of honour in a decorated chair underneath festoons of confetti filled balloons and presented with a pink rose bud corsage.

A short programme was presented consisting of readings by Miss Marilyn Reid and Mesdames Harry Sherry and Gerald Russett. Several contests and games were conducted by Miss Karen Morton.

Mrs. Russett read an appropriate address and the gifts were presented in a decorated basket carried by Miss Morton and Mrs. Cecil Skinkle. The bride-to-be was also presented with a Bride's Book, which was enjoyed by everyone. While she opened her gifts a hat from the bows was fashioned by Mrs. Skinkle.

Ruth voiced her gratitude to the hostess and friends for the beautiful gifts and the most enjoyable evening. The hostess and her assistants served a delicious lunch and a social hour was enjoyed.

St. Paul's UCW Evening Unit Four

The June meeting of St. Paul's United Church Women, Evening Unit Four, was held on the 13th at Mrs. C. West's cottage, Oak Lake, with 15 present. Mrs. C. West, group leader, extended a warm welcome to all, especially to the visitors.

Mrs. Floud and Mrs. G. Green had charge of the devotional period. Mrs. Floud read a poem, "Prayer is a Vital

Force." She suggested that everyone set aside a certain time each day for a few moments of prayer. A hymn was sung, followed by prayer by Mrs. G. Green. Mrs. Geo. Loshaw read a poem, "Pray For One Another." Mrs. D. Rodgers read "The Seeker." The offering was taken and dedicated. Mrs. M. Maguire took the roll call in the absence of Mrs. R. Hatton. Mrs. H. Lyons read the minutes of the last meeting which were approved. Altogether over 50 sick calls were made by the members during the last month.

It was moved by Mrs. Maguire and seconded by Mrs. Bell that we cater to a shower and also to a wedding anniversary. Plans to be made later. The bazaar to be held in the fall was named "The Golden Bazaar." For this event each member is to take one item for the tea table and one for any other table she chooses. Unit Four appointed Mrs. C. West to the decorating committee for the event.

Mrs. Howard was in charge of the Bible study, based on "The Word and the Way." She conducted a question-

aire in which everyone took part. The meeting closed with the benediction.

Afterwards all enjoyed hot dogs and coffee. Mrs. West received a vote of thanks for her hospitality.

River Valley W.I. News

On Sunday, July 7th, fifty people partook of a delicious pot luck picnic dinner at "The Beach" on the Col. Roscoe Vanderwater Park, near Thomasburg, under the auspices of River Valley Women's Institute. About fifteen members and their families enjoyed the sandy beach in the afternoon, after which Mrs. Jack Bush and Mrs. J. R. Donohoe conducted a peanut scramble and various games with suitable prizes. The children were treated to balloons and candy suckers. Later in the afternoon everyone enjoyed a treat of watermelon and toasted marshmallows. A group of fifteen people stayed for the supper meal. "Happy Birthday" was sung for five-year-old Rhonda Myers.

"I'll be over—after I do my banking!"

Nowadays it's natural for the lady of the house to do much of the family banking, because it's so convenient to look after money matters at one place — the local chartered bank, an all-round banking service-centre.

This busy homemaker is on her way to deposit part of her husband's salary in their savings account, cash a cheque on their joint chequing account, and pay the monthly instalment on a

personal loan. All this taken care of under one roof — quickly, easily, simply.

Any bank service you use is an introduction to many others. And the chartered banks are always on the lookout for new ways to be helpful to more people. Good reason why the number of deposit accounts has doubled to 14 million in just 10 years, and 3,500 new accounts are being opened every banking day.

In Memoriam

BURRELL — In loving memory of Mom (Abbie Burrell), who died on July 16th, 1946.

There is no parting from those we love.

No distance can divide;
For always in memories garden,
We still walk side by side.

—Remembered by son Gordon, daughter-in-law Jennie and grandson Robert. 17-1p

DREWRY — In loving memory of a dear mother, Mrs. Wm. Drewry, who passed away July 9th, 1962.

SUMMER VEGETABLES

Summer is the time for fresh vegetables. The season is all too short so let us enjoy them while we can and try to serve several kinds every day.

Canada's Food Guide recommends that we eat two servings of vegetables either yellow or green ones besides our daily serving of potatoes. We should also eat raw vegetables as often as possible.

Vegetables are a boon to calorie counters. They are low in calories but provide us with necessary bulk and important vitamins and minerals as well. Some vegetables are very low in calories. For example, average servings of cooked spinach, cabbage, cauliflower or broccoli contain only 20 to 30 calories and beans, lentils and carrots only about 40 calories.

Fresh vegetables are easy to prepare and cook but sometimes they may be overcooked and lose flavour and food value. They should be cooked and lose flavour and food value.

They should be cooked in the least amount of water possible since many of the nutrients will dissolve out in water. This is why we should use the remaining cooking water in soups, sauces and gravies.

The Consumer Section, Canada Department of Agriculture have a booklet "Summer Vegetables" which gives helpful information on the buying and cooking of vegetables. It is available free of charge from the Information Division, Canada Department of Agriculture, Ottawa.

Cooking Comments

A neat, easy way to roll out pastry is between two sheets of wax paper, say Home Economists at Macdonald Institute, Guelph.

When a cake recipe calls for wax paper liners, cut a dozen or so, to have ready the next time you bake.

When filling cake pans, push batter towards the edges and corners of the

pans so that the level of the batter is higher there than in the centre. This procedure helps to ensure a product with level surface, as the centre area of the batter rises highest during baking.

A warmed, lightly greased measuring spoon assists with the measurement of syrups.

WEED OF THE WEEK

CHICORY

What seems like a "pretty blue flower" to you is probably a troublesome weed. Chicory, sometimes called Blue-Sailors or Coffee-weed, is a problem on old pastures, waste places and occasionally in cultivated fields. The bright blue, short-lived flowers appear from July to October.

Chicory grows as a biennial or short-lived perennial. It has a deep penetrating root system and a tall branching stem. The stem grows up from a group of dandelion-shaped leaves which are spread close to the ground in a rosette.

This weed is seldom troublesome in well-cultivated fields, says the Soils and Crops Branch of the Ontario Department of Agriculture. If you have much chicory in your pasture, plow deep in late autumn and plant an inter-row cultivated crop for two years before reseeding it to grass.

Scattered plants in grasslands and waste places should be cut well below the crown with a shovel. Early cutting of hay in fields with much chicory will produce a more palatable feed. Close grazing by sheep will control chicory in pastures.

There are also several sprays which give good control of this pest. Fall spraying with 8 ounces of 2, 4-D amine in 10 gallons of water per acre will control chicory in the rosette stage. In new seedlings and mature stands of clover or alfalfa, use 20 to 24 ounces of 2, 4-DB acid in 20 gallons of water per acre.

For further information on control, refer to the Ontario Department of Agriculture, Publication No. 75, "1963 Guide to Chemical Weed Control." You can get a copy from your local Agricultural Representative or from the Information Branch, Ontario Department of Agriculture, Parliament Buildings, Toronto, 2, Ontario.

Hastings County 4-H Members Visit Federated Colleges

On July 3rd the 4-H Agricultural Club members of Hastings County had the opportunity of touring the Federated Colleges at Guelph, when they were opened for such tours. One hundred and eleven members from Hastings, as well as several bus loads from Haldimand and Wentworth counties were present.

Dean N. R. Richards welcomed the 4-H members on behalf of the President, Dr. J. D. MacLachlan, and explained the courses offered at the three colleges. At the Ontario Agricultural College a four-year degree course is offered leading to the Bachelor of Science in Agriculture; and, a Master of Science in Agriculture, a post graduate course. A two-year Associate Diploma in Agriculture is offered to those interested in farming and who do not have their Grade 13 standing. At the Ontario Veterinary College, the degrees offered are Doctor of Veterinary Medicine, Master of Veterinary Science, Doctor of Veterinary Science, Diploma in Veterinary Public Health, and a Diploma in Bacteriology. At the Macdonald Institute, the girls are offered a four-year course leading to the Bachelor of Household Science degree. All of these three colleges are affiliated with the Toronto University, and the degrees are conferred by it.

In the afternoon the members had conducted tours of the Ontario Veterinary College, where they saw operations being performed on large and small animals, as well as the kennels, the barns, x-ray room, and some of the laboratories. At the O.A.C. in the Animal Science Department they had Dr. Gordon K. Macleod (former summer assistant in Hastings) explain the work of the department, and they saw the dairy barns. In the Crop Science Department they went on a field tour to see the fall wheat breeding plots. Here the developing of new varieties was explained to them. A tour of the campus and a tour of the Physical Education Building court gymnasium, the olympic size swimming pool, the skating rink, the curling rink, the gymnastic court and the various reception rooms, completed their visit.

SHORT COUNT

If all the good resolutions that are kept were placed end to end they wouldn't reach very far into the new year.

Townsend -- Scott Wedding Solemnized

A very pretty double ring wedding ceremony was solemnized on Saturday, June 29th, 1963, at two o'clock at the home of the bride's parents, Mr. and Mrs. Clarence Scott, Stirling, R.R. 3, with the Reverend W. G. Fletcher, B.A., officiating, when Madeleine Gail Scott became the bride of Herbert George Ralph Townsend, son of Mr. and Mrs. Coleman Townsend, Halloway, Ont.

The marriage was solemnized beneath an arch of evergreens with an overhead cascade of mauve, yellow and green crepe streamers with white balls. Baskets of yellow chrysanthemums flanked the evergreen standards.

The bride, given in marriage by her father, was radiant in a floor-length bridal gown of ivory with sheer bengaline over taffeta. The princess lined bodice was enhanced with manderin lace trim, sweetheart neckline and long pointed sleeves. The full billowy skirt was trimmed with a floral design of lace and net. The bride's head-piece was a bouffant shoulder-length veil of tulle illusion, caught to a floral arrangement of white orchids and roses. She carried a semi-cascade bouquet of red roses.

The attendants were Miss Sharon Lewis, of Foxboro, as maid of honour, and the bride's sister, Miss Janet Scott, as junior bridesmaid. Sharon was gown in green and Janet in yellow. Both street-length dresses were fashioned in identical style of sheer bengaline over taffeta with rounded neckline and short sleeves. The full draped skirt was accentuated with a flowing wide cummerbund. They wore headresses of matching veiling with a floral centre.

The maid of honour carried a nosegay of white 'mums tinted green with yellow centre and matching ribbon. The junior bridesmaid carried a nosegay of yellow 'mums with a green centre and matching ribbon.

Miss Susan Scott, Harold R.R. 2, a niece of the bride, was a demure flower girl and she carried a basket of yellow and mauve 'mums. She wore a short frilled nylon mauve dress with a white floral bandeau.

Geordie Scott, Toronto, nephew of the bride, was the natty ring bearer and carried the jewelery on a satin pillow.

The groom's brother, Mr. Douglas Townsend, of Halloway, was groomsmen, and the bride's brother, Mr. Raeburn Scott, ushered the guests.

Mrs. Gordon Foster, Moira, aunt of the groom, was pianist and furnished traditional wedding music. Miss Carol Beckett, Harold, Ont., was soloist and rendered "The Lord's Prayer" before the ceremony and "I'll Walk Beside You" during the signing of the register.

The reception followed in Mount Pleasant Rawdon United Church Hall with the United Church Women as caterers.

Mrs. Scott received her guests wearing a powder blue bengaline sheath dress with appliqued flowers in darker tones on the skirt and bodice, accented with white accessories and a corsage of pink carnations. She was assisted by the groom's mother wearing a pink anel linen sheath dress with matching lace jacket, white accessories and a corsage of white 'mums with blue tints.

The bride's table was prettily appointed with a linen damask cloth. The tiered wedding cake was decorated with yellow rose buds with a miniature bride and groom on the top. The cake was surrounded with misty white tulle. The setting was enhanced with yellow flickering tapers in glass candelabra and the nuptial flowers.

Rev. W. G. Fletcher was master of ceremonies for the toasts and the responses were made by the groom and his attendant. Brief addresses were given by Mrs. Burton Morton, Wellman's; Mrs. Everett Sine, Salem; Mr. Beverly Foster, Cannifton.

Guests were in attendance from Guelph, Milton, Toronto, Foxboro, Wallbridge, Havelock, Halloway, Cannifton, Stirling and Salem.

Mrs. Townsend chose for travelling to Niagara Falls and Grand Rapids, Mich., a turquoise bengaline sheer sheath over taffeta with matching three-quarter length jacket with short sleeves. The dress was fashioned with a square neckline, softly molded bodice, cape sleeves and an appliqued floral drap arrangement on neckline to hem. She wore matching shoes, white accessories and a corsage of pink carnations.

They will reside at Halloway, Ont.

The bride was the recipient of a crystal salad bowl and servers from Stirling L.O.B.A., No. 655, and a pair of rose bud crystal vases from Rawdon Circuit Young People's Union. Previous to her wedding she was also tendered a linen shower at the home of Mrs. Raymond McConnell.

ensure an even better floor for years to come.

Due to the nature of the work being done at the Legion Hall, it is expected that a thorough cleaning job will be required on the complete interior. It is expected that Branch President Allan Lawes will call for assistance from all members just as soon as the floor is completed. In the meantime, all the draperies and flags have been cleaned.

has made provision so that the remaining walls may be strapped and finished in plywood to match or contrast with the existing finished wall. The contractor has also provided for the Branch number to be placed in the floor in a contrasting colour.

A number of important decisions must be made by the Branch Executive. President Lawes has called a special executive meeting for Thursday, July 18th at the Legion Hall at 8:30 p.m. All members of the Branch Executive are asked to note the date and time and to be present at this important meeting.

On Sunday, August 4th, the Village of Wellington will be the scene of a special Legion Drumhead Service. This is being held in connection with the Wellington Centennial Celebration. Stirling Branch hopes to send a good representation. We are mindful of the fine support of other district branches some three years ago when Stirling held its Centennial. It is the hope of the Executive that enough comrades will indicate their desire to attend this service so that a bus may be chartered for the trip. It has been suggested that all comrades interested in going to Wellington on August 4th should leave their name at the Legion Hall or contact Secretary Bert Bastedo as soon as possible in order that proper arrangements may be made.

During the busy summer months with its many varied activities, it is possible that a comrade may become ill or need assistance and his case may not become immediately known to the Branch Padre or Service Bureau Officer. All comrades are asked to inform either Padre Downing or Comrade Ray Tanner, Branch Service Officer, of any case which might call for their attention.

We take this opportunity of recommending to all comrades and the general public a book which can be loaned from the local Public Library. It is entitled, "The Regiment" and is written by Farley Mowat. The book deals with the history of the Hastings and Prince Edward Regiment and we feel sure it will be of great interest to all residents of this area.

The Legion is attempting to identify a picture presently in their possession. We believe the person may be called either Frank Woodcock or Woodcox. If anyone in the community who has known such a person

Madoc Bests Intermediates In Twelve-Inning Thriller Monday

Clare Hagerman Clinches
Win for Visitors with Home
Run — Final Score 5 to 4

In one of the best games of the season Madoc defeated Stirling Intermediates in twelve innings by a score of 5-4 on Monday night. The game was played on the Henry Street diamond and only a fair crowd of fans were on hand.

Clare Hagerman was the hero of the piece for the winners, blasting a homer in the top of the twelfth for the winning margin. The game was a nip and tuck affair throughout and fans saw some excellent hurling by McMaster, who went the distance for the losers and by Peters and Shaw who shared the pitching duties for the winners. Bob Neal made a gallant bid to tie the count in the bottom of the 12th when he lashed a long drive to right field but the visiting fielder pulled it in on a running catch.

Stirling opened the scoring in the first inning when they loaded the bases on two walks and an error but Madoc tied it in the fourth. The homesters took the lead for a second time with a run in the fifth and Madoc went ahead 4-2 in the sixth with three runs. McMaster had difficulty with his control and walked two before Blackburn lashed a homer. In the eighth Osmond counted for Stirling and in the ninth Smith crossed the rubber to tie the score. Neither team was able to score until Hagerman's homer in the 12th.

Madoc—Hagerman, Hughes, Whitman, Elliott, Stickman, Blackburn, Peters, Barnard, Harris. Shaw replaced Peters in 5th and Hamilton replaced Barnard in the 10th.

Stirling — Noble, If, Smith, ss; Neal, c; McMaster, p; Shannon, rf; Faulkner, cf; Osmond, 2b; McConnell, 3b; Bell, 1b.

Score by innings:
Madoc ... 0 0 0 1 0 3 0 0 0 0 1—5

Installation of New Terrazzo Floor at Legion Hall Nears Completion

Work on the new terrazzo concrete floor of the Legion Hall is almost completed. It is expected that the contractor will finish the entire floor before the end of the week. Following completion of the floor, the branch will be faced with a sizeable job of cleaning up. Many hands will be required for this work and members can expect to be called on to lend a hand.

The branch Executive Committee is asked to meet at the Legion Hall tonight (Thursday) for a very important session. Many important subjects are to be discussed and all members of the Executive are asked to be on hand at 8.30 p.m.

We again remind all members of the forthcoming Drumhead Service to be held in Wellington on Sunday, August 4th. This is a special service in connection with the Wellington Centennial, and the Branch would like to send a good representation to support our comrades in Wellington. It is expected that at least one bus will be chartered to transport all those wishing to attend. In order that such arrangements can be completed as soon as possible, all members are asked to indicate their intention to Secretary Bert Bastedo

Motor Accidents On Village Streets

A car driven by Ross Arbor, of Scarborough, and a truck operated by F. E. Stapley, Stirling, collided at the corner of Emma and Front St. W. Monday morning. Property damage to the car was placed at \$500 and to the truck \$50 by O.P.P. who investigated.

On Friday night about 8.30 a three-car collision occurred on Front St. just west of the four corners with cars driven by Doug Morton and Lorne Brooks, of Stirling, and a Trenton owned vehicle being involved. Property damage was light. The O.P.P. investigated.

A special social evening is to be planned for the Legion Hall as soon as it has been cleaned and restored to order. It is expected that a bulletin will soon be in the mail to all members of Branch No. 228 advising them of the program for the months of August and September.

A recent announcement in Ottawa by the National Physical Fitness Advisory Council has added the sum of \$4,400.00 to the Legion Youth Programme. It is expected that the Royal Canadian Legion will spend some \$125,000.00 in addition to the above grant during 1963. A special track and field clinic to be held in Galt will train many coaches and athletes who in turn will pass their knowledge along to our young people who are interested in track and field. The long-range result of such a programme will ensure a much better showing for this country in all national and international track and field events.

Legion plans call for a tremendous amount of time and money to be expended in furthering physical fitness (Continued on page eight)

A Letter To The Editor

Dear Mr. Editor:

We note with interest the several letters in your recent editions criticising the members of Council and the Clerk. It is a shame that people in public office receive so much criticism and so little of the praise and encouragement that they deserve.

The members of our present Council are good, hard-working men, who give of their time and talents to govern our Village in the best way they can. They show their sense of responsibility by sitting on Council and working many hours for the good of Stirling, hours that might well be spent in more enjoyable ways. I rather doubt that the writers of the previous letters ever took the time to think of the hard work these men do, let alone consider doing the work themselves.

And what of our Clerk? He is paid by the public so he is a target for every bit of dirt that people feel like handing out. Our Clerk is paid to put in a five day week — five days, mind you, nothing is said about the nights

he must attend Council and committee meetings. It would take too much room to list the number of committees whose meetings he is supposed to attend. Nothing is said either, at tax time, when the same Clerk freely gives up his Wednesday and Saturday afternoons off for the convenience of the taxpayer. And what about the insults, dirty jokes and crude remarks a tax-collector has to listen to? He didn't invent taxes. It is just part of his job to collect them, but everyone of us has been guilty of some thoughtless remarks when it comes time to pay our taxes. No — our Clerk may not have given outstanding service, but he has given Good service.

The writer of the letter in your July 4th issue was very disgruntled over arrangements re — Clerk's holidays, probably more so because he doesn't get any holidays himself. This in itself is quite surprising. According to the average employment arrangements this person is either working for a very poor boss, or working for himself — in which case he is still working for a poor boss.

Criticism is forthcoming because we aren't invited to sit down and chat while at the Municipal Office, of course if we were, then the Clerk would be wasting time, and we are paying for that time.

If the previous writers are really what they wish to appear perhaps they should do a little more for Stirling themselves, and also follow that old Indian Adage, "Speak no evil of another, till you have spent a moon in his moccasins."

Just Interested.

July Meeting Rylstone W.I.

The July meeting of Rylstone Women's Institute was held in the evening on Thursday at the Orange Hall, Petherick's Corners. Mrs. Ernest Irwin was hostess.

The Institute Ode and Creed opened the meeting and the roll call was answered by "Your surname spelled backwards" and state your life's ambition. Minutes of the June meeting were read by Mrs. Don Stewart, Secretary. A letter was read on "Farm Safety." Mrs. Irwin gave an account of the luncheon for the A.C.W.W.

President held in Peterborough recently.

Frank Osborne, Petherick's Corner's, showed pictures of a trip to England, which he and Mrs. Osborne enjoyed some time ago. Lunch was served and the National Anthem brought a very enjoyable evening to a close.

The next meeting will be an afternoon tea at Sentinel Orange Hall, Petherick's Corners, on August 7th. The following committee is planning a programme, a farm produce table and a home baking table. Other organizations will be asked to attend.

No Extension For P.S.I. Health Plan Campaign

The P.S.I. sponsored Hastings and Prince Edward Community Health Plan will officially close on Saturday, August 10th, 1963 at 12 noon. P.S.I. officials have advised the Stirling News-Argus that no extension of this deadline is possible due to the forthcoming enrolment of Grey County, which will open on August 12th.

Douglas Brown, spokesman for the plan said that the Hastings and Prince Edward Campaign has been exceptionally well received and will probably be one of the most successful enrolments conducted. The 60% objective was reached at the half-way mark, and since that date, several hundred more residents have completed applications.

Every permanent resident of the two Counties is eligible to join this comprehensive programme, provided their application is received by one of the offices by the closing date. Douglas Brown advised that no applications will be accepted after this date, and it will be a year or so before the programme will be offered again in this area.

Any permanent resident wishing information on the programme is requested to contact one of the offices located in Belleville, Trenton or Picton before noon, Saturday, August 10th, and a representative will be pleased to answer questions and complete your application card.

Given in marriage by her father, the bride wore a full length gown of white satin, with shoulder length veil of tulle d'illusion. She carried a cascading bouquet of American Beauty roses.

Hastings and P. Edw Orange Lodges At Bancroft

The biggest crowd in the history of the Village of Bancroft jammed its way into the town on Saturday as Hastings and Prince Edward Counties Loyal Orange Lodges "walked" to celebrate the anniversary of the battle of the Boyne.

The day's crowd was estimated at close to 10,000 persons.

Seventy-five L.O.L., L.O.B.A. and Juvenile lodges from the two counties formed a parade more than three miles in length as the celebrants marched from Brethour's Park, in the northwest corner of the village, down Sherbourne Street, along Bridge and Hastings Streets and back to the park by way of Station Street.

More than 1,000 persons listened to the programme of speech-making following the parade. Leading the parade astride prancing white horses were Central and North Hastings County Masters, Gordon Mitts, of Stirling, and Murray Hall, of Bancroft. Only "Walk" in Area.

Host lodge for the "Walk," the only celebration in the two counties, was the North Hastings Orange Lodge. Edward Wannemaker, Past County Master for North Hastings, assisted with preparations.

Eight downtown restaurants were filled to capacity as visitors crowded in to eat, both before and after the parade. The L.O.B.A. served dinner on the parade grounds.

Bancroft Reeve W. J. McAlpine welcomed the visiting lodges back at the grounds following the parade.

Guest speakers for the afternoon included Mrs. Clarence Holmes, Grand Mistress of L.O.B.A. Lodges for Ontario East; Fred Bateman, Stirling, Past Grand Master of Ontario East, and Lorne Hagerman, of Harold, Grand Master for Ontario East.

Always react to a turning signal on the car ahead, but never rely on it, the Ontario Safety League advises. Turn signals are often left on inadvertently; also, drivers sometimes change their minds about turning at the last moment.

COLE SLAW

Almost every time you eat out these days you see cole slaw on the menu. It seems to have become an accepted vegetable choice with the meal. Probably this is because it's one of the quickest and easiest salads to prepare as well as being a popular one.

There are many theories as to the meaning of the word "cole slaw." According to Webster's dictionary it comes from the Dutch "kool sla" and simply means cabbage salad. The word "cole" is sometimes wrongly pronounced "cold." Actually it is not related to temperature but is a general term referring to any plant of the cabbage family.

Some like it hot, some like it cold. This is evident from the variety of cole slaw recipes that have been passed down to us. Connoisseurs of German cooking say that cole slaw should be served hot or with a hot sauce over it. Sometimes red and green cabbage is mixed. The cabbage may be finely or coarsely chopped or

shredded. Generally cole slaw is finely shredded, it may be seasoned only with salt and pepper, or it may have chopped onion or shredded carrot with it and it may be mixed with French dressing or mayonnaise.

Slaws may be served as appetizers or garnishes, as a side salad, in place of a cooked vegetable with the meat course, or as a crisp addition to salad sandwiches.

At this time of year there are many possible combinations with cole slaw. Young tender shredded raw spinach makes an interesting addition and new carrots and green onions add crisp, fresh flavour. Here is a recipe for Fresh Spinach Slaw from the Home Economists of the Consumer Section, Canada Department of Agriculture.

Fresh Spinach Slaw

- 2 cups shredded raw spinach
- 3 cups finely shredded cabbage
- 1 cup shredded carrots (medium shred)
- 1 cup sliced green onions

1 teaspoon salt
1/4 to 1/2 teaspoon black pepper
1/4 cup French dressing
OR 1/4 cup mayonnaise and 2 to 3 teaspoons lemon juice

Wash spinach, drain thoroughly and remove heavy stems and veins, then shred. Combine spinach, cabbage, carrots and onion and toss lightly. Cover and chill. Just before serving sprinkle with salt and pepper, add French dressing OR mayonnaise mixed with lemon juice and toss to coat pieces. Six servings.

Elliott -- Harrigan Wedding At Ottawa

A pretty double ring summer wedding took place June 15th in Parkdale Baptist Church, Ottawa, when Gail Mae, only daughter of Mr. and Mrs. Gordon Harrigan, of Ottawa, became the bride of Everett Frederick Elliott, oldest son of Mr. and Mrs. Everett Elliott, of Halloway.

The radiant young bride, given in marriage by her father was gownned in floor-length white embroidered organza over silk taffeta with jewell neckline and long sleeves. She wore a shoulder-length veil, caught to a crown of mother of pearl and carried pink Sweetheart roses.

She was attended by Miss Marjorie

Latimer, of Hamilton, as maid of honour; Miss June Miller, Ottawa, as bridesmaid, and Miss Susan Moore, of Ottawa, as junior bridesmaid. All were gownned alike in rose taffeta with bell skirts and jewell necklines, matching hats and shoes and carried white shasta mums with pink leaves.

The groom was attended by his only brother, Murray Elliott, of Halloway. Guests were ushered to white satin bow trimmed pews by two friends of the groom, Don Wilson and Paul Millard, of Belleville.

Mrs. John Moore presided at the organ and accompanied the soloist, Mr. John Booker, a classmate of the bride and groom in two numbers.

The ceremony was performed by the Rev. John McDowall before an altar decorated with pink and white carnations and baby's breath. A unique feature of the service followed the ceremony when the new husband and wife extinguished two small lighted candles and together lighted one large candle as a symbol that they are no more twain, but one.

Following the ceremony a reception was held at the Bruce McDonald Hotel where the guests were received by the bride's mother, wearing yellow flowered nylon with short sleeves and full skirt, matching organza flower hat, mink stole, white accessories and a yellow rose corsage. She was assisted by the groom's mother who wore a sheath dress of organza over pale green flowered taffeta with matching three-quarter length coat, white organza petal hat, white accessories and yellow rose corsage.

Following a dainty lunch Mr. Ernie Belch, of Arkona, was master of ceremonies and called on several for speeches and at the request of the bride he gave a short message from Psalm 37.

The happy couple left by motor for the New England coast, the bride travelling in a two-piece rose linen dress with white accessories and a white orchid corsage. They will reside at 469 Colborne St., London, where both the bride and groom are students at the London College of Bible and Missions.

Guests were present from Stirling, Foxboro, Halloway, Frankford, Belleville, Arkona, Hamilton and Lachute.

Reception For Bride and Groom

On Saturday evening, June 29th, Mr. and Mrs. Everett Elliott entertained about forty friends and relatives at a reception in honour of their son, Fred, and his bride, the former Gail Harrigan, of Ottawa.

The dining table was covered by a lace cloth for the occasion and centered by the wedding cake, flanked by pink and white bells.

Mr. Gardiner Welsh was master of ceremonies and called on several for speeches. Miss Lois Elliott favoured with two musical numbers and Miss Gwen Wilson gave a piano solo. After a short sing-song of favourite choruses, Mr. Ted Cairns showed slides of the wedding.

A dainty lunch was served by Mrs. Gary Kelly, Miss Beatrice Koss, the Misses Joyce and Ena Tyrer and Miss Lois Elliott. All enjoyed a visit with the bride and groom. Fred and Gail cut and served their wedding cake to the guests and all departed wishing them many happy years together.

Guests were present from Stirling, Belleville, Actinolite, Kingston, Trenton, Oak Lake, Foxboro, Frankford, Harold as well as Mr. and Mrs. Gordon Harrigan, parents of the bride, of Ottawa.

Hostess To Rylstone UCW

Mrs. Ray Stewart entertained the members of Rylstone United Church Women on Wednesday afternoon, July 10th. There were 10 ladies present and several children.

The President, Mrs. Will Rutherford, opened the meeting with a poem and the hymn "For the Beauty of the earth," followed by the Lord's Prayer. The Scripture selection was the 5th chapter of Matthew, 1-16, and was read by Mrs. Harold Pillion. The meditation was given by Mrs. Will Rutherford.

The roll call was answered by a Beatitude. Mrs. Ray Stewart gave the Secretary's report and general business was conducted.

Mrs. Jack Spencer offered prayer and Lynne and Sue Spencer sang "He Has the Whole World in His Hand." Mrs. Bob Spencer gave a reading entitled, "Take Time." Mrs. Harold Pillion gave a reading entitled, "Sermon on the Mount." Mrs. Wilfred Spencer gave a summary of the aims and offices of the United Church Women. The hymn, "Tell Me the Stories of Jesus" brought the program to a close and the meeting closed with the Mizpah Benediction. Refreshments were served by the hostess and refreshment committee.

The next meeting will be held at the home of Mrs. Bob Spencer.

Eggleton UCW and Messengers

On Friday evening members of Eggleton United Church Women and the Messengers met at the Church for their annual union meeting in July with 40 in attendance.

Before the meeting the ladies were invited outside to view the various hobbies made by the Messenger members and displayed on two long tables. All were very well done.

Carol Danford played quiet music on the piano as all assembled in the Church.

The mothers' U.C.W. President, Mrs. W. Harlow and the U.C.W. members present were each presented with a cluster of Paul Scarlet roses, which were pinned on by a Messenger member.

Lloyd Clancy read a lovely poem and a composed verse of welcome to all present; also appreciation to all the mothers who had assisted the Messengers during the year.

At the front of the church was a small table on which was arranged the "worship centre" with the picture of Jesus and the little children. The worship theme was "We are all brothers." Also on the table was a pret-

tily decorated box made by Terry Kovach.

Lola Danford, who presided over the meeting, gave the call to worship and announced the hymn, "Praise Him," followed by all repeating the Messenger motto. The Scripture lesson, Psalm 67, was read by Gerald Stapley. A reading, "This Is My Father's World," was given by Brian Kovach. Carol White read a story based on the worship theme, after which Linda Prest read a prayer.

The children then came forward with each putting their yellow Messenger Gift Box in the large decorated box. Each Messenger member has been saving pennies in these boxes all year so a contribution could be sent for the special 1962-63 project of the Messengers which is to assist Severance Hospital in Seoul, Korea.

The U.C.W. offering was gathered by Sandra Stapley and Eddie Stapley. The offerings were all dedicated with a prayer read by Carol Stapley. A piano solo was contributed by Lin Stapley and was very much enjoyed.

The leader, Mrs. Maurice Clancy, gave an interesting reading, "Are You A Mocking Bird?" stressed the need of being yourself and of always striving to do one's best. The story was taken from the book, "Journey-

Lawns keep greener in the summer if the grass is permitted to grow one and one-half inches tall.

ing with the Years" and was written by Viola Whitney Pratt.

All the children took part in singing "O Canada" (Church of All Nations version) taken from the June issue of "World Friends" papers with Mrs. Bruce Stapley playing the accompaniment.

The leader congratulated the children on the hobbies they had made and presented each one with a booklet, "A Child's Guide to the Bible." The meeting closed with all repeating the Messenger Prayer.

While the senior children and Mrs. Clancy started the fire for the wiener roast, the U.C.W. held a short business meeting. Mrs. Harlow presided and read a poem, "Praise and Thanks to God." The hymn, "Tell Me the Stories of Jesus" was sung with Miss Joyce Stapley as pianist.

Mrs. C. Fitchett read the minutes and gave the roll call. Mrs. Bruce Stapley reported on calls made and cards sent. Mrs. Wm. McMullen announced the second quarter of Eggleton U.C.W. allocation had been sent. Mrs. Forde Stapley reported that the Supply parcel has been received in Toronto.

The next meeting will be held at the Church on the evening of August 8th. Mrs. Clancy will prepare a chapter from the study book.

Mrs. Harlow expressed thanks to Mrs. Clancy and the Messenger members for the splendid programme. The U.C.W. Benediction was repeated in unison.

Outside, benches had been placed around the glowing fire and wieners and buns were warmed on the racks above the brick barbecue. A variety of cookies, treats and orangeade was also served.

Funeral of Mrs. David Fleming

Mrs. Annie Fleming of 10 Patterson Street, Belleville, died Wednesday, July 10th, 1963, in the Belleville General Hospital. She had been ill for some time.

Born in Madoc, the daughter of the late Mr. and Mrs. Fletcher C. Sherwin, she had lived in Belleville for about 30 years. Her husband, David Fleming, died in 1950.

She is survived by two sisters, Mrs. D. C. (Edna) Barnett, of Tweed, and Mrs. Earl (Violet) Marvin, of Wellington, and three brothers, W. F. Sherwin, of St. Catharines; John A. Sherwin, of Walton, N.Y.; and Charles Sherwin, of Vancouver.

A member of St. Andrew's Presbyterian Church, she was very active in church groups.

The funeral was held on Friday afternoon, July 12th from the Grant

Funeral Home, Belleville. Rev. A. L. Sutherland officiated.

Interment was in Belleville Cemetery.

New Community Centre For Tweed

The first sod was turned for the new Tweed-Hungerford Community Centre at the Fair Grounds on Saturday morning, July 13th, 1963.

Reeve of Tweed, Guy Hughes, Building Chairman Stewart Lessard, and General Chairman Harold Cantelon, were the official witnesses to this happy event, along with many excited neighbourhood children.

for all Canadians, especially our youngsters. The local branch of the Legion is continuing to support this programme in our own community by sponsoring and supporting various teams in hockey and baseball.

We still have a number of members from last year who have yet to bring their dues up-to-date. In most cases we feel this is a simple oversight on their part. We take this opportunity of reminding all such comrades that it is still possible to place themselves in good standing prior to the resumption of Legion business activity in September. Regular yearly dues are \$6.00. New Legion members are more than welcome at Branch No. 228. New members coming into the branch at this time of year, may join at half the yearly rate for the balance of 1963. Why not contact Membership Chairman, Doug Patterson right away?

We again remind all members of the Branch Executive of the special meeting in the Legion Hall tonight (Thursday) at 8.30 p.m.

CONSERVATION NEWS

NORTHERN PIKE

The average fisherman may have some difficulty in distinguishing the pike and maskinonge. This is not due to a lack of distinguishing characteristics, but probably to the fact that the differences are the kind that are generally overlooked. The largemouth bass and the smallmouth bass resemble each other more closely than the pike and maskinonge, yet the pike and maskinonge are more often mistaken for each other.

In the pike, the ground colour is bluish or greenish-grey, with many irregular, whitish or yellowish spots arranged in rows that are more or less longitudinal. There are dark spots or blotches on the dorsal, caudal and anal fins. Immature pike have light bars which later break up into spots. In the maskinonge, there are numerous square or round black spots of different sizes on the sides of the

body, against a greyish-silvery ground colour. Briefly, in the pike, the background is dark and the markings lighter, while in the maskinonge, the background is light and the marking darker.

Observations on the preferred habitat of the pike generally agree that in lake environments they prefer the weedy bays, estuaries and shoals as a spring and summer habitat. In these extensive littoral areas, the vegetation may consist of a combination of submerged and emergent types, or submerged types alone, in water of moderately high fertility.

By the end of the first year, it is not unusual for pike to measure seven to 12 inches, and in their third year, 12 to 23 inches. A nine-year-old pike measured 29 to 37 inches.

The average weight of pike taken in Southern Ontario is two to four pounds, but some weighing 15 to 20 pounds are taken every year.

The Ontario record pike weighed 43 pounds 2 ounces and was caught in Delaney Lake, Kenora District, by Harry Bed, Covington, Kentucky, June 24th, 1948; one weighing 42 pounds was caught by tolling in Lake Simcoe by Bob Hendry, Toronto, May 18th, 1959. A number of Ontario records range from 30 to 38 pounds.

Draw For Car Top Boat — Harvey Couch To Provide Merry-Go-Round For Kids

All roads lead to Stirling on Monday night next, July 29th, for the annual Rotary Fair and Street Dance, under the auspices of the Stirling Rotary Club.

President Les Rawlings and his assistants have everything in readiness for a gala night and citizens of Stirling and surrounding districts are invited for the occasion. The Rotary Club is in need of funds to carry on its work which includes the supervision of the local playground on Henry St., financial assistance to the Ontario Society for Crippled Children, students' loan, rehabilitation for crippled children, transportation and lodging for children to "Merrywood on the Rideau" Camp for crippled children, and general welfare work. Your support is needed to keep up the splendid work being carried on by the local service club.

Games of all kinds will be in operation while music for street dancing will be furnished by Uncle Jimmy Mitts and his orchestra.

Ride For The Kids

The committee in charge is not unmindful of the entertainment of the children and arrangements have been made for a merry-go-round to be present, courtesy of Harvey Couch.

Draw

During the evening the grand drawing for a car top boat will be made.

Tickets, which admit two to the fair, will be on sale until just before the drawing and everyone is urged to buy a ticket and a chance on the prize.

If you have never visited a camp where there are 70 to 100 crippled children, may we suggest that you do so at your earliest convenience that you may see at first hand the work that is done there.

Canada Geese Summer On Rawdon Creek

(by G. Warner)

Each year, over the past decade, Canada Geese have been noted summering in various locations within the Tweed Forest District.

Sightings over the past few years have indicated, in most instances, solitary pairs (male and female) birds selecting sites for nesting and rearing their young.

Last year sightings were made in the area of Harrowsmith, Prince Edward County and the Moira River north of No. 7 Highway.

This year only one occurrence of geese has been noted on Rawdon Creek near Stirling. This pair of geese undoubtedly are nesting in the area, and at the present time are obscured from public view, due to their moulting which prohibits their flight for a period during the summer.

These solitary pairs of geese if unmolested will emerge in late summer with their progeny and join other flocks of geese on their southern migration in late autumn.

The Good Driver

A gulf of bitterness that may never be crossed flows between many next-door neighbours. The boy from one home killed or mutilated the girl from the other when she was hurled forward through his windshield. Her parents can never forget, and may never forgive.

Yet she may have been partly, even mainly to blame for the crash that took away her youth, and scarred the minds of four parents. Many a girl who has never touched a wheel has steered a car to splintering collision. If a boy is attracted to a girl he

feels a constant urge to win her approval at every possible moment. In a car a frequent reaction is to try to excite her admiration for his superior skill and "courage." As long as she keeps up her part in this game, with little gasps and fluttering eyelashes, the danger of serious collision mounts. If she shows she is not impressed by "kid stuff" driving, she may avert an accident that could kill or maim several people and permanently destroy the self respect of the boy driver.

Every passenger in a car has a responsibility towards the driver, and all other road users, says the Ontario Safety League. A responsibility to see that his own behaviour does not contribute to unnecessary distraction, or tension. And a responsibility to use quiet influence to discourage any attitude or behaviour of the driver, or other passengers, that could constitute or develop into a hazard.

The responsibility weighs heavily on an attractive girl, out in a car with an impressionable boy.

Two People In Tow Boat

The best law ever enacted says the Ontario Safety League for the protection of water skiers — and everyone else using waters where skiing is done for that matter — is the law requiring two people in the tow boat; one to drive the boat and watch the course ahead and a second responsible person to watch the skier, equipment and water traffic and pass information on to the boat driver. And just a word to the wise — if you're the boat driver, watch where you're going — not the skier.

THE BIBLE TODAY

"Christian agencies in Asia are influencing an increasing number of national Christians through the books they produce and sell," writes the Rev. Dennis E. Clark, of Toronto, in the Christian Bookseller. Actively interested in the cause of preparing and distributing Christian literature while doing missionary service in India, Mr. Clark draws his conclusions from on-the-spot experiences.

These agencies are also reaching more non-Christians, who are reading an increasing number of books produced by Christians," adds Mr. Clark. Bibles, Testaments, Commentaries, books about the Bible and the Christian life, are widely sold in Asia.

"In West Pakistan and Iran, a vigorous production of apologetic literature for Muslims places the publishing enterprise in the forefront of producers of evangelistic books and booklets for non-Christians."

Indonesia, the Philippines, and generally in non-Communist Asia, the opportunity for presenting the Christian Gospel and its message is proving increasingly urgent through the printed pages. The promotion of Christian literature notes Mr. Clark, "should be the main objective during the next decade."

The competition was under the direction of Mr. Jack Hagarty, Soils and Crop Specialist from Brighton, Mr. Sidney MacDonald and Mr. Lyall MacLachlan from the Ontario Department of Agriculture Office in Stirling.

In the morning forty-seven 4-H members and farmers were conducted on a road tour where they were able to see different types of soils, examples of poor drainage and erosion. After lunch the 4-H members took part in judging four types of soil on the farm of Mr. Harold Dettlor, of Stirling. Contestants were required to describe the type of soil, crop best suited for each and to give reasons in each case.

In the Intermediate section (16 to 26 years) Allan Thompson, of Moira, was the high member while in the Junior Section (12 to 15 years) Norman Stein, of Crookston R.R. 2, was the winner. Honoured Prior

To Departure
A number of friends and neighbours gathered at the home of Mr. and Mrs. Frank Hammond Wednesday evening to bid them farewell before leaving for their new home in Cannifton.

Alex McCurdy was chairman for the programme and gave a few remarks. Grant Richardson had charge of the community singing. Readings were given by Mrs. Don Fargey and Mrs. Grant Richardson. Duets were contributed by Cheryl Stapley and Gloria Pollock and the Lott sisters.

An address was read by Mrs. Volney Richardson. Harold Hollinger and Allan Fargey presented Frank and Verna with a platform rocker.

The honoured couple voiced their appreciation for the lovely gift and invited everyone to visit them in their new home.

Best wishes were expressed by a few of the neighbours after which lunch was served.

A small town, according to a definition sent to the Ontario Safety League, is a place where they are proud of traffic congestion.

Trousseau Tea For Bide-To-Be

A delightfully arranged trousseau tea in honour of Miss Ruth Morgan was held at the home of her parents, Mr. and Mrs. Murray Morgan, West Huntingdon, on Wednesday, July 10th, from two till four o'clock.

The guests were received by the bride's mother, Mrs. Garnet Skinkie, who was in charge of the guest book. The trousseau, shower and wedding gifts were on display and those in charge were the bride and her attendants, Mrs. Tim Skinkie, sister of the bride, Mrs. Gerald Russett and Miss Karen Morton.

The dining table was appointed with a lace cloth and centred by a vase of pink roses. Triple candelabras and supporting white candles and silver tea services completed the table decorations.

The hostess invited the guests to the tea room where Mrs. Arthur Clark of Wallbridge, and Mrs. Roy Clarke, Trenton, poured tea. Dainty refreshments were served by Mrs. Roger Robson, Mrs. Harry Morgan and Mrs. Elmer Morgan; while Mrs. Freddie Wellman and Mrs. Ron Woodbeck kept the plates replenished.

The Food Basket

Canada's Finest Selection of Agriculture

SALAD CENTERPIECES

Like everyone else, summer meals are taking to the outdoors these days. Whether set on porch, patio or around the barbeque, the table will be gay and informal to fit the mood. Though table decorations are usually superfluous — it's the food that counts — sometimes it's fun to let our imaginations run riot and make an original centerpiece. Using the various greens, fruits and vegetables now available, it's easy to make an edible centerpiece which closely resembles a floral arrangement. The home economists of the Consumer Section, Canada Department of Agriculture have been making some of these arrangements and found them most effective.

Cabbage Salad Bowl

A hollowed-out cabbage head makes an ideal salad bowl. Choose a large, leafy cabbage with crisp, curly leaves. The Savoy type is especially suitable. Loosen the leaves and spread them out petal fashion. Hollow out the center to within 1 inch of the sides and bottom of the head. Shred the cabbage taken from the center and use it to make your favourite cabbage salad. You will need about 5 cups finely shredded cabbage or 4 cups coarse cabbage for 6 servings. You can make variations of the salad with these additions:

1 cup shredded carrot, 1 cup diced green pepper, 1 tablespoon finely chopped onion with chopped cucumber (rind on) for garnish.

OR

1 cup diced or sliced celery with 1 to 1 1/2 cup diced cheese sprinkled on top of salad before serving.

OR

1 1/2 cups unpeeled red apple added just before serving with 1/2 cup chopped nuts and 1/2 cup raisins.

Toss lightly, chill, and just before serving, sprinkle with salt and pepper and add salad dressing, mayonnaise or sour cream dressing (1/2 to 1 cup).

Tossed Green Salad

Several greens may be used together in an all green salad — leaf or head lettuce, Boston lettuce, romaine, curly endive, French endive, escarole, Chinese lettuce or spinach. Tear the leaves into the bowl rather than cut them. For colour and flavour, add thin slices of radishes, onion rings, wedges of cucumbers, slivers of celery and green pepper strips.

Toss salad with a French dressing seasoned with your favourite herbs e.g. marjoram, rosemary, garlic, pars-

ley. Serve chilled in a large glass bowl or a "brandy snifter" for an elegant container.

Oriental Garden

An oriental garden reproduced in vegetables is a real conversation piece for a buffet table. Use a shallow wooden tray as a base for the garden and carry out the oriental theme by using bamboo placemats.

The vegetation in the "garden" consists of green onions, celery stalks, green pepper strips and carrot sticks. Cut radishes accordion style (i.e. cut crosswise in paper thin slices three quarters of the way through) and chill in ice water until they open. Stick them on coloured toothpicks in vegetables and they resemble Chinese lanterns in the garden. Use cucumber slices for the garden pathway and toasted sunflower seeds for the "pebbles." Also add small whole tomatoes for the "rocks." To make the tree use plastic branches and top them with marinated cauliflowerets and mushroom caps.

Serve one or both of these cheese "dips" with the raw vegetable sticks: "Oriental Dip" — Cream cheese (4 oz. package), 1 cup salad dressing, 2 teaspoons soy sauce, 2 teaspoons ginger and 1 tablespoon chopped green onion.

"Cottage Cheese Dip" — 1 cup of creamed cheese (pressed through sieve), 2 tablespoons table cream, 2 to 3 teaspoons lemon juice, 2 tablespoons finely chopped chives or green onion, 1/2 teaspoon each of salt and paprika.

OF MANY THINGS

(By Ambrose Hills)

HERE WE GO AGAIN!

Once more our house is in an uproar. My family is preparing to go to the summer cottage for the season. For some reason I can't quite fathom, it is necessary to leave our house spotless — so that I can have a summer to mess it up in.

Of course, it is just possible my wife hopes that this year it will be different; that she will leave it spotless and find it the same when she returns. I don't think that is her motive.

Actually, if the family were to return this fall and find that I had been a tidy housekeeper, that everything was in good shape, there would be disappointment. A man is supposed to be a lousy housekeeper. No woman would admit it, but they'd be bitterly disappointed if they found no stains behind the sink, no ashtrays

loaded with butts, no unmade beds or undusted corners.

Well, my wife can relax. I'll not disturb any of the dust. There will be stains behind the sink and in it. I can conform, just as most other husbands do.

I have the same plans for this summer that I have had for centuries. I am going to get some work done. I will be able to write superb prose in a quiet house, perhaps three or four short stories or a best-selling novel. And if the muse is very kind, maybe a poem. And with only myself to cook for, there'll be thick, juicy steaks and other delights.

That, at least, is the plan. If it works out the way it has done in other years, Steinbeck needn't be worried, but the Fort Street cafe had better keep a fridge full of steaks. Of course, I have a good excuse. The house will be just too darn quiet. A man raised in noise can't work in absolute stillness. And cooking for one is a bore.

So here we go again. Another summer just like the last one.

WEED OF THE WEEK

COMMON RAGWEED

The only good weed is a dead weed! And the ragweed is one which farmers and especially hay fever victims wish was dead.

This vigorous plant rapidly develops finely divided "ragged" leaves. It grows from one to three feet high with numerous spikes, the pollen producing flowers, at the top of the plant.

Ragweed occupies much space and thus competes with crops, reducing crop yields. It is very objectionable in pasture fields and fodder, as it gives a peculiar odour to the milk of cows which eat it.

Ragweed is no longer a serious problem in crop production; according to the Soils and Crops Branch, Ontario Department of Agriculture. The weed does not survive 2, 4-D; 2, 4-DB Atrazine, or in fact any of the chemical and cultural practices of today's agriculture. It does not survive in good, close turf in lawns, parks or pastures.

But it does thrive in a wide area of semi-neglected lands; rundown meadows, worn out pastures, freshly broken land for new development, roadside, railway embankments and uncared for gardens and yards. From these areas originate great clouds of pollen, which during the months of August and September is responsible for much of the hay fever suffering.

Because of its objectionable nature to both agriculture and hay fever sufferers, ragweed is known as a noxious weed. And according to the Ontario Weed Control Act, all noxious weeds must be destroyed.

Here is how you can control this pest. Spray ragweed growing on roadsides or in parks, pastures, lanes or waste places with 2, 4-D. Use 16 ounces of 2, 4-D acid per acres in 100 gallons of water.

For small patches mix 3 ounces of 2, 4-D in 10 gallons of water and spray to wet all foliage. Spraying is effective during the months of June, July and August. Mowing the weeds is not as an effective control, since new flowers are formed from the part of the stem left above ground.

Cultivation is a sure means of control. After harvest, cultivation is effective on stubble fields not seeded down. This should be started immediately after the crop has been removed and continued until late fall.

The "Guide to Chemical Weed Control" will give you more detailed information on control of ragweed as well as other weed problems. You can get a copy from your Agricultural Representative or by writing to the Information Branch, Ontario Department of Agriculture, Parliament Buildings, Toronto 2, Ontario.

Cooking Comments

Invert a colander over the pan when frying food that is likely to splatter, suggest food experts at MacDonald Institute, Guelph. It will prevent the fat from splashing out and causing burns.

If you buy a beef carcass to package for the freezer you can figure one-quarter of the carcass will yield steaks, one-quarter roasts and one-quarter ground beef and stewing meat. The final quarter is waste, bones and fat.

To prevent the edge of a pie from browning too much place a 1 1/2 inch strip of aluminum foil around the edge of the pastry.

Roast meat without a cover will have less cooking loss and less shrinkage of the meat. An oven temperature of 350 degs. F. is recommended.

Special Permit For Moving Wide Farm Machinery

Special permits are now being issued for the movement of farm equipment (in excess of 8 feet in width) on public roads during Saturdays and holidays.

Permits for transporting wide farm equipment on all public roads have been required by the Department of Transport for some time. But these regular permits exclude use of public roads for this purpose during Saturdays and holidays.

Holders of permits will find it necessary to supplement their regular permits with special permits before utilizing public roads on Saturdays and holidays.

Relaxation of the regulations governing (or prohibiting) the movement of farm equipment on public roads comes as a direct result of a request made by the Ontario Federation of Agriculture to the Ontario Department of Transport on the 24th day of June. The Ontario Federation of Agriculture commends the action of the Ontario Department of Transport as being in the interests of Ontario farmers and also commends the Ontario Department of Transport for taking such prompt action.

The Ontario Federation of Agriculture wishes to emphasize the fact that the above action was taken to facilitate essential farm operations and the abuse of these privileges can only lead to their withdrawal. The O.F.A. doesn't minimize the dangers occasioned by slow moving equipment on highways, especially during heavy weekend traffic. Safety and the prevention of accidents is still of paramount importance. Therefore, the full co-operation of farmers in preventing accidents and prohibiting any abuse of these above privileges is earnestly requested.

In cases where farm equipment in excess of 14 feet in width must be transported on provincial highways, provincial police are requested to escort the equipment. On all secondary roads, the owners must provide a private escort in addition to obtaining the permit (plus a special permit for Saturdays and holidays) and an escort. The owner must now display a red flag mounted on a ten foot mast attached to the left rear corner of such equipment.

Permits for the transporting of farm equipment of over 8 feet in width on any Queen's highway, must be obtained from the Ontario Department of Transport. Such permits must be obtained by writing to the Ontario Department of Transport, Queen's Park, Toronto, or they may be obtained from any of the 260 local offices of the Ontario Department of Transport (issuers of motor vehicle licences which are located throughout the entire province).

In the case of movement on municipal roads, such as country or township, applications for permits are to be made to the Clerk of the municipality.

CONSERVATION NEWS

REPLACING DYING TREES

(by E. P. Edson)

Throughout the southern townships in Frontenac, Lennox and Addington, Hastings and Prince Edward, there are hundreds of hedges on the border of fields, and some of them function the land and crops from high drying winds and from sudden frosts.

They also prevent the snow from being blown away from fields, where moisture is needed, to ravines and lower places where it is not needed.

A substantial proportion of these hedge trees are white elms and they are not only protecting the land but they also add to the beauty, and so to the value, of the farms.

In recent years we have seen many of these elms dying, some of them infected by the Dutch Elm Disease.

While the Dutch Elm Disease is not the only cause of elm mortality, it is a very dangerous and contagious disease. Farmers and other land owners who care about their trees are well advised not to take any chances and to do what they can to stop the spread of the disease.

The first step is to remove the infected trees, burn the branches and spray the logs with some effective insecticide.

By writing to the nearest Department of Lands and Forests or Department of Agriculture anybody can obtain full information about combating Dutch Elm Disease.

Where trees have died in the hedges these useful windbreaks have lost some or most of their efficiency. If we want to restore their protective function we have to replace the missing trees. By planting beautiful and resistant species such as maples, ashes, or oaks, we can again, in time,

bring up valuable trees which would provide protection for the fields and supply good hardwood lumber.

However, these valuable species are rather slow growing and often we cannot wait so long. In all such cases we should plant not only the above mentioned trees but also some slightly interior, but fast growing species, such as poplar and black locust.

By planting a maple or ash or oak every twelve feet in a hedge there is space enough left for planting a Carolina poplar or black locust in the space between them. The poplars very often reach a height of 30 or 40 feet, 10 or 15 years after planting, and we can remove them as the slower growing species develop sufficiently. Poplar can be sold as pulpwood, and in its place better quality trees can be then planted.

In addition, we could also improve these hedges and windbreaks by planting a greater number of trees than there were before, and possibly in two or three rows so as to make the windbreak much more effective.

Double Trouble

The chief constable of a small town was also the veterinary surgeon. One night the telephone rang and his wife answered.

"Is Mr. Thomas there?" asked an agitated voice.

"Do you want my husband as a veterinarian or as constable?"

"Both," came the breathless reply. "We can't get our bulldog to open his mouth, and there's a burglar in it!"

Pen Pals

(By Sybil Lessey, Letter Friend Secretary of A.C.W.W.)

The following article was read by Mrs. Ernest Carr at the Hastings West District Annual on May 30th. The article was received by Mrs. Percy MacMullen. If you are interested in a pen pal write to F.W.I.O. or A.C.W.W. and give particulars re your choice of country, etc.

"The time has come," the Walrus said, "to talk of many things, of shoes and ships and sealing wax, of cabbages and kings."

So said the Walrus to the Carpenter in Alice through the looking glass, but how true this is of a pen friendship; how many "things" there are to "talk about." Just a chance mention of some small topic can bring untold hours of joy.

Indeed many have found their greatest friend and ally in their pen friend. A tiny snip of material from a new dress, a flower petal, a catalogue, a new recipe or knitting pattern, a gift to a new baby, or a daughter's "hope chest", all help to create that bond of unity between women living many thousands of miles apart. In the words of an Australian pen friend on a visit to the office, "I feel completely at home here, whenever we meet, we seem to have something in common. There is no barrier. How thrilled I was when travelling, to meet friends with whom I had corresponded for 26 years, to see the names of their villages on the sign-posts as we drew near."

Even husbands sometimes have been known to have a share in a pen friendship. I know of one who is forever minus something with which to write. "Someone" he says, "has always taken mine." So, regularly each Christmas, his wife's pen friend posts off a packet of half a dozen ballpoint pens; and so much has he come to rely on his yearly gift that he would be his wife's pen friend, should she forget.

A pen friend and her husband, a carpenter in the ship repair industry in Falmouth, Cornwall, saved hard over the years to visit the U.S.A. Her pen friendship had stimulated her desire to visit the States where her husband's brothers now live. While

on holiday there they stayed as houseguests for three weeks at the home of her pen pal who has a milk ranch in Michigan. She writes, "We were treated like royalty." Having exchanged photographs over the years, they immediately recognized each other. It didn't seem possible the photographs could make a person so real in another's mind they both agreed.

A member in Leicestershire wrote and told us how proud she felt on hearing the news that her Australian pen friend's young son had been chosen to give the greetings from the School of the Air children to Mrs. Van Beekhoff, our President, when she was in Australia. Our member also tells us of the exciting present she received at Christmas from her friend — a calendar of 365 puddings. One for each day of the year. What a lot of eggs they have used since its arrival.

A school mistress in America mentioned to her pen friend in Buckinghamshire the desire of one of her small pupils to write to an English girl. Now this young American is writing to a friend in a delightful English village. These links are like a stone thrown in a pond — causing ever widening circles of friendship.

Our friends in the U.S.A. are constantly asking for pen friends in the European countries, particularly Scandinavia, Switzerland, Germany, Holland and Italy which are the ancestral homes of so many Americans. Because of the language difference, some countries are able to contribute to our Letter Friends Scheme only to a very small degree, and we do appreciate the difficulty of writing in a strange language. Even those of us living in the different English-speaking countries find that many words have different meanings. But do not lose heart if a word or sentence from your friend's letter sounds somewhat strange. Ask her to explain.

A pen friendship helps to bring women closer together, and gives especially to those who live in the far isolated parts of the hemispheres the opportunity to share these joys and sorrows that we all experience which enables us to see ourselves in other people, and especially to appreciate those little everyday blessings that we so often take for granted. So much real knowledge can be gained by shaking hands across the sea through pen and ink, and this is one of the ways in which we country women of the world can play our little part towards bringing about international understanding and goodwill.

So to you all, in every corner of the world, what about it? For you life can take on a new meaning, with every mail a thrill.

LEGION NOTES

The next three "Legion Notes" will be devoted almost entirely to setting forth the Legion views on the matter of a National Flag for Canada. We sincerely hope our readers will bear with us in this discussion. The chief purpose of this series is to outline the stand taken by the Royal Canadian Legion on this very important matter which affects all Canadians. In presenting its views, the Legion is fully aware that there will be those who do not agree with them. However, the Legion being composed of veterans and Canadians who have voluntarily enlisted and who have served in time of war feels that its members certainly have the right to express their views. One of the chief reasons that so many Canadians have fought and died for is the freedom of expressing one's views. We must also admit that the Legion is concerned with the apparent lack of interest in the general public on the issue of a National Flag. Perhaps through this series of articles, we will at least stir an interest in the minds of some readers.

The Royal Canadian Legion endor-

ses the Canadian Red Ensign as Canada's National Flag. Over 250,000 war veterans are represented by the Royal Canadian Legion. Its members represent almost every walk of life and every sectional and regional viewpoint. From doctors and lawyers, merchants, woodsmen, sailors, retired and crippled; from the mountains, the prairies, the industrial areas of central Canada, the mines and forests of Ontario and Quebec, and the Maritimes, the Legion has drawn its members. All are veterans who have fought for Canada; all are Canadians who love their country. They represent a genuine cross section of Canadian life and opinion.

It would be foolish to suggest that every last member of the Legion favours the Canadian Red Ensign. Some members do not approve, however, the Legion recognizes their right to hold a different opinion. A vast majority of Legion members do favour the Red Ensign and for very good reasons. Since 1961, the two Dominion Conventions of the Legion have unanimously endorsed the Canadian Red Ensign as Canada's National Flag.

From time to time, the Legion has expressed its views to the Federal Government on this vital issue. The Legion will continue to do so in the days to come. It is also imperative that the Legion make its views known to the general public so that they may not only become more

aware of the issues at stake, but also that they may be better informed and thus be in a better position to form their own opinions.

In a letter to the Federal Government in 1963, the Dominion President of the Legion, C. C. Sparling said, "We (the Legion) are fully aware of the many logical reasons for the various flags that have been advocated, and for the many personal views of the people of Canada. I would suggest to you that a flag, a National Flag is a thing of tradition, of history and of emotion. No extended or learned discussion will ever be a substitute for positive action."

The Legion President went on to point out the reasons for the stand taken by the Legion in endorsing the Canadian Red Ensign as our National Flag. We will list some of these reasons in the next Legion Notes column.

Decline Continues In Number of Rabies Cases

Based on information supplied by the Department of Health, the report of rabies in Ontario in April states: The decline in the number of rabies cases which has been evident over the past few months continued with only 55 cases recorded in April from 23 counties and one territorial district.

The distribution of cases between wildlife and domestic animals was about the same as usual with approximately two-thirds of the cases in wildlife. Of the 35 cases reported from wildlife, 21 were in foxes, 13 in skunks and one in a wolf from Renfrew County.

The Lake Huron, Lake Simcoe and Lindsay Forest Districts accounted for most of the cases with 37 of the total 55 cases being reported from this area.
